Telemetry...Today's Answer for the Protection of Tomorrow's Environment

SERVICE PRO® CELLULAR CONTROL CENTER

THE MOST ADVANCED AND RELIABLE TELEMTRY SYSTEM ON THE MARKET TODAY

The Service Pro Cellular control center features a new level of Monitoring, Compliance and Diagnostic (MCD) technology for your Singulair Bio-Kinetic wastewater treatment system. Cellular technology is the dominant form of communication in today's rapidly advancing world, and treatment system monitoring is yet another excellent application. No longer are telephone landlines or Internet cables required, which saves time and provides optimum installation convenience. All components are factory installed and pre-programmed. The built-in cellular module instantly connects to our Service Pro monitoring center for easy operation and reliable long-term communication. Offering the absolute lowest cellular service rates available, the Service Pro Cellular control center provides a cost-effective solution to monitor operation and protect system performance.

OUR SERVICE PRO® CELLULAR MODULE IS AN INTEGRAL COMPONENT OF THE SERVICE PRO CONTROL CENTER. WITH THE CAPABILITY TO ACCESS CELLULAR CARRIERS THROUGHOUT THE U.S. AND CANADA, YOU CAN WIRELESSLY MONITOR YOUR ONSITE TREATMENT SYSTEM. DETAILED SYSTEM HISTORY IS RECORDED AND MAINTAINED AT WWW.SERVICEPROMCD.COM AND CAN BE EASILY ACCESSED ANYWHERE, ANYTIME. THE SERVICE PRO CONTROL CENTER WITH CELLULAR TELEMTRY DELIVERS THE MOST ADVANCED TECHNOLOGY, CONVENIENCE AND PERFORMANCE AVAILABLE IN THE INDUSTRY TODAY.

Precision engineered and easily installed for comprehensive owner protection, the UL Listed Service Pro control center and online management system provide superior remote monitoring for all residential wastewater treatment applications. The complete answer to guarantee proper operation and maintenance is only a click away.

- No telephone landline or Internet cable required
- Pre-programmed, no activation required
- Affordable, low cost cellular service
- Cellular module is factory installed
- Cellular service throughout the U.S. and Canada
- Inserts available to upgrade existing installations
- Minimum expense for maximum protection
- Protected by Norweco's single source warranty program
- Dedicated 24/7 system monitoring at www.servicepromcd.com
- UL Listed and CSA Certified
- FCC Part 15 Class B, FCC Part 22 and FCC Part 24 Certified

The Singulair Bio-Kinetic System components with Service Pro panel have been listed, licensed and/or certified by each of the following agencies/organizations.
